INSTRUCTOR REQUESTS

We look at all requests for specific instructors or specific gender of instructor; however, we are unable to guarantee that any specific request will be granted.

DECK SUPERVISOR

Did you know that during all lesson times there is a deck supervisor available to answer your questions and concerns? They also provide a link

between you and the instructor. Ask and the deck supervisor will be happy to assist you.

LESSON START TIME

Participants should go out to the pool at the lesson start time (not earlier). You may wish to escort your child to their lesson on the first day to meet the instructor. Look for signs on the pool deck with the name of your child's swim level eg. Swimmer 2.
