March 11th, 2009 - Café Athena / 6327 Main Street

The **Nineteen on the Park Startup Team** invites you on to a reception, virtual discovery tour and orientation workshop of the new **Lebovic Centre for Arts & Entertainment** to be held at the **Café Athena** on **March 11th, 2009 at 7:00 pm**. Please RSVP by contacting Steven Foster at 905-640-1910 ext 297 by March 6th, 2009. Special thanks to Nick Pappas for his support.

Nineteen on the Park is conveniently located in the heart of the Stouffville urban community. It is a revitalized historical venue of over 6,600 square feet of arts and entertainment space, located in the soon to be redeveloped Civic Square.

Nineteen on the Park is an economic “facilitator” that will stimulate cultural tourism and support local businesses throughout Whitchurch-Stouffville.

The facility officially opens May 9th, 2009. This will be the beginning of a two week Opening Celebration designed to showcase the flexibility and utilization of this exciting arts and entertainment centre. The Opening Celebration will culminate on May 23rd with the astonishing Motus O performing *Carmina Burana*, straight from their European tour.

As a Whitchurch-Stouffville business, we would like to invite you to a virtual tour and orientation session. The orientation workshop has two objectives. First, it will be designed to give you up-to-date information on how the facility will positively influence your business in the coming months and years and secondly, to co-ordinate marketing and partnership activities that will contribute to the success of the centre and to the success of local businesses.

Times are turbulent and difficult for many, residents and businesses alike. March 11th, 2009 at the Business Discovery Workshop, is a time to come together and to discover how our collaboration as a community can make a difference to our mutual success.

The Startup Team is a volunteer group of citizens who invite Whitchurch-Stouffville businesses, town representatives and other interests to come together to contribute to Whitchurch-Stouffville as a vital and sustainable community.

We look forward to receiving your confirmation of attendance.

This is an event not to be missed!
